Letter no. 147 /XLII-42/26

Dtd:- 25.05.2026

TO WHOM IT MAY BE CONCERNED

BUILDING SAFETY CERTIFICATE

Assistant Engineer, Ganjam (R&B) Division-II, Berhampur, visited **Holy Angel Convent School**, VIP Road, Gopalpur-On-Sea, Ganjam on dated 15.05.2026 and visually inspected the building from all safety aspects. The building is found safe and fit for school use.

- The building has been constructed as per the approved building plan and complies with the National Building Code and Fire Safety Standards.
- In case of any addition, alteration, expansion, or modification to the building, the work shall be carried out under the supervision of a qualified engineer, and a fresh safety certificate should be obtained after completion.
- In case the building is affected by flood, or if any settlement of walls, foundation sagging, roof damage, or similar structural issues is noticed, immediate inspection should be arranged to assess the safety of the building.
- This building can be safely occupied for normal use for the academic year 2026–27 and shall remain valid up to 15.05.2031, subject to proper maintenance and compliance with safety norms.
